The world is broken...

Corban wants nothing more than to be a warrior under King Brenin's rule - to protect and serve. But that day will come all too soon. And the price he pays will be in blood.

Evnis has sacrificed - too much it seems. But what he wants - the power to rule -- will soon be in his grasp. And nothing will stop him once he has started on his path.

Veradis is the newest member of the warband for the High Prince, Nathair. He is one of the most skilled swordsmen to come out of his homeland, yet he is always under the shadow of his older brother.

Nathair has ideas - and a lot of plans. Many of them don't involve his father, the High King Aquilus. Nor does he agree with his father's idea to summon his fellow kings to council.

The Banished Lands has a violent past where armies of men and giants clashed in battle, but now giants are seen, the stones weep blood and giant wyrms are stirring. Those who can still read the signs see a threat far greater than the ancient wars. For if the Black Sun gains ascendancy, mankind's hopes and dreams will fall to dust...

...and it can never be made whole again.

MALICE is a dark epic fantasy tale of blind greed, ambition, and betrayal.
