This volume IX of the Premium Collection contains seven great novels (novels 63 to 69) by Edward Phillips Oppenheim, the prolific English novelist who was in his lifetime a major and successful writer of genre fiction including thrillers and spy novels, and who wrote over a 100 of them. He was the self-styled "prince of storytellers.", generally regarded as the earliest writer of spy fiction as we know it today, and invented the 'Rogue Male' school of adventure thrillers. His plotting is as smooth as silk, with the virtue of creating believable characters of genuine sophistication and wit.
