The Greater Future Rich La Bonte

Mike Fixx is a gumshoe. His partner Gutman traveled to an outworld through an unregistered passageway to work a con and came back dead. Gutman left a message warning Mike that this particular outworld was everybody's worst nightmare. The people there have advanced technology and they're a bit psychotic. Definitely paranoid. Mike didn't like it much but he knew he'd have to find out who murdered Gutman. You don't let somebody kill your partner. It's bad for business. The Greater Future is a fantasy detective thriller. A new tale of the passageways by Rich La Bonté, author of Simple Deities.
