Timothy Garton Ash

*The Magic Lantern* is one of those rare books that define a historic moment, written by a brilliant witness who was also a participant in epochal events. Whether covering Poland's first free parliamentary elections—in which Solidarity found itself in the position of trying to limit the scope of its victory—or sitting in at the meetings of an unlikely coalition of bohemian intellectuals and Catholic clerics orchestrating the liberation of Czechoslovakia, Garton Ash writes with enormous sympathy and power.
