A Window to the World Susan Meissner

Here is the dramatic story of two young girls, Megan and Jen, who meet in first grade and quickly become inseparable friends.

Inseparable, that is, until one of them is snatched away by kidnappers as the other young girl watches helplessly.

The remaining child grows up with the haunting memory of her friend's abduction...and absence from her life. Then, sixteen years later, the stunning truth of the disappearance

is revealed. And once again, lives are changed forever.

This wonderful and heartrending second novel endears the reader to every character in this intriguing story. A testament to God's ability to "work all things together for good." A smashing follow-up to the author's well-received first novel, *Why the Sky Is Blue*.
