Hers to Hold Lexi Jordan

Sophia is a sassy woman with no friends and no family, who keeps everyone at arms length because she's afraid to lose anything else.

Jamal is wrong for her in every way, a dirt poor, ex-con with stalker tendencies. And on top of that he's hiding something from her.

Common sense tells her to leave him alone. But who needs common sense when you can have kisses like his?

Hers to Hold is a complete, stand-alone short story about an odd couple that finds in each other, the pieces they didn't know were missing.
