Miles Before I Sleep M. Donice Byrd

Andrea James always knew she would trade her father's wealth for marriage to a titled gentleman—her social-climbing mother had drummed it into her head since she was old enough to walk and talk. All the best tutors and schools money could buy had prepared her for her position into which she would soon marry.

Sebastian James had other plans for his only child. He refused to give his daughter or fortune to a man of privilege, who had never worked a day in his life.

When Andrea discovers her father has betrothed her without her mother's knowledge, she runs away—right into the arms of her fiancé's cousin.
