Organize Your Home in Five Days: Easy Hacks to Declutter Your Space, Create a Positive Environment & Get Inspiration Back to Your Life

You are not alone; millions of people across the globe are confronted and restrained with clutter. Whether you live in a one room apartment or a sprawling residence or whether you have a single desk or a corner office in your workplace, clutter can happen anywhere, anytime and to anyone. The best but difficult solution is to declutter.

Confronted with this seemingly impossible task to complete, we are tempted to give up, make excuses or not to even start at all. This hopelessness bars us from the wide range of benefits of a clutter-free life, from a focused mind, a healthy body and a positive spirit.

This book shares with you almost 100 of the best decluttering advices, tips and lifehacks available today. Each are inspired by the three key ingredients and guiding principles to starting, doing and sustaining a clutter-free life.

This book has almost 100 declutter lifehacks and rules for your home, your office and other physical and virtual spaces in your life. Lifehacks that you can use for home areas, such as the bedroom, kitchen, garage and porch are included in this book. There are also lifehacks for the office areas, such as your desk, your office bag and computer.

In this book, there is also a suggested five-day decluttering plan that you can immediately use or tweak based on your preferences. Plus, a list of do's and don'ts recommended by experienced organizers and lifestyle experts is also included.
