Pay looked at the swollen purple bruise masking the right eye of the skittish man sitting across the table from him in the San Francisco coffee shop. This guy's so timid, I wonder if anyone can teach him the stuff he needs to learn. "Revenge School clients have to be seriously violated. We don't help people with little stuff. Last week a guy wanted us to kill his neighbor for making a pass at his wife. That guy needs testosterone injections, not us. My team will help you destroy whoever beat you and your friend, but we aren't free. Your first payment is \$10k."

"Ten-thousand dollars," Richard blinked. The hand stirring his Chai Tea shook and the spoon created a wave that slopped onto the Formica table.

"If we succeed we'll pay you back from the funds we take from your enemies."

"So then it costs me nothing?"

"Revenge won't cost you a dime. It won't make you a dime. It will make you a man."
