What do you expect when you're expecting? You may have all the information about the miracle of life from conception to birth, but most are not prepared for the most troubling inevitability. That we are born and then we die. If there ever was a book to prepare you for what to expect after life has begun perhaps this is the one. This biblical investigation into the Unbelievable Virgin Birth of Baby Jesus will uncover more than the mysteries surrounding his strange and unusual birth. It will seek to answer mysteries such as, was his mother Mary really a virgin? If she was a virgin how did it happen? Why was it so important for Jesus to be born of a virgin? But perhaps the most important of all questions, it seeks to reveal what His miracle birth means to you and me? I trust in the end you will not be left barren with a sense of despair but rather pregnant with hope in the One born of a virgin, as the unbelievable becomes believable through the revealed word of God.
