Child of prophecy? Harbinger of Doom

Zaltys is a girl like any other to grow up ranging the jungles of the Southern Lluirwood. She's a crack shot with a bow and no stranger to the dangers that lurk beneath the deep forest canopy.

On expedition with her family to harvest the forbidden terazul flower, a powerful drug that has gathered many a dreamer into its narcotic embrace, Zaltys is about to unearth a truth long buried by the feculent loam of deception.

As the veil is lifted on the world Zaltys thought she knew, a pathway to the Underdark promises the answers her family never gave. Venturing forth in search of truth, Zaltys finds betrayal to be a much easier quarry. But it will take more than a lode of lies to quell the venom in her veins.
