Finally My Heart's Desire (Meant for Me Book 2) Brooke St. James

Emily Bennett had her future all figured out. Her boyfriend was heir to one of the largest oil fortunes in Texas, and she was growing accustomed to a life of luxury and prestige. The only problem was that he seemed to be more possessive of her with each passing day.

When she stopped to think about it, that wasn't the only problem. In recent months, they'd been growing apart, and she wondered if they were compatible at all.

She struggled with the thought of abandoning what should be every girl's dream. It wouldn't be easy, but with a little faith and the spark of a new flame, she might just find her heart's desire.
