Knox “Hate F*ck” Cole

I’m a 29 year-old ex-Army Ranger, disgraced former MMA champion, and current f*cking bastard.

I’ve killed men on the battlefield, in the ring, and on the street. They say violence is my natural talent—but sex is what I live for, I’m damn good at it, and damn good at finding partners. Blonde, brunette, redhead, it doesn’t matter...I’m every woman’s wet dream and I know how to take advantage, and I always get what I want.

But then I laid eyes on her...Tatiana—a young, mysterious, exotic beauty, with a sexy accent, two perfect handfuls and an ass that made me forget my own name. I knew this chick would be trouble the moment I met her...but I didn’t even know the half of it.

Turns out my boss is the last person to ever see Tatiana’s sister alive, and now the chick wants revenge. I thought I was going to get my dick wet, bang her and forget about her forever...

Instead, I ended up with a needle in my neck and a hangover the next morning...

And now Tatiana’s about to learn how I got my nickname.

Hating Beauty is a full-length contemporary new adult romance novel. It contains violence, sexual content, and mature themes that may offend some. No Cliff Hanger.
