**In the Making (Celebrity Sex Tape Book 1)** Farrah Abraham

First in the Celebrity Sex Tape trilogy.

The journey...

Hot sex. A few thrills. A lot of tips and tricks. There has to be more to life than this, and I'm going to find it.

The woman...

I'm like every other person out there: I want to be loved and I want to be happy. But in the words of my best friend, I have to kiss a few frogs along the way. That's okay, I know what I want and I'm not afraid to go after it, to hell with what other people think. My name is Fallon Opal, and I'm not who everyone thinks I am.

The star...

To the world I'm another starlet gone crazy: always traveling, clubbing non-stop, and juggling drug problems and alcohol issues. The truth couldn't be further from that. I'm on a journey to find myself and I'm going to do it without shame—my way. Sometimes it feels like the world is against me but that won't stop me from getting mine.
