## **Is Your Boss Mad?: The Definitive Guide to Coping With Your Boss** Jill Walker

It is unfortunate, but bosses don't come with a user's manual. Does he or she have a sense of humor? Why do they make such strange requests? How can you tell what mood they are in today? Why doesn't he or she get me? If you've ever suffered because of the bad behavior of your boss, this book belongs on your bookshelf. Here you will learn how to deal with the eight different kinds of bosses--bosses who are bullies to bosses who let you down. This book will help you understand what kind of boss you will be working for right at the interview process. (Bosses should read this book too. Find out what category you belong to and how you can improve your behavior.) The strategies suggested for coping with your mad boss are not hypothetical ideas--they are hard boiled instructions for your communications, body language, and actions. The book suggests ways to bring a little levity to the workplace, without impacting on productivity or focus. The strategies that are developed in this book aim to help you manage your work place environment to your advantage and generally improve how you deal with your working life, so read it today and learn to smile once again.
