Love Hate Relationship (a Colors novel) Jessica Prince

****Love Hate Relationship is a STANDALONE Romantic Comedy that follows characters introduced in Shrinking Violet. It is not necessary to read Shrinking Violet first****

People say that sometimes the line between love and hate is thin. What they don't tell you is that sometimes it's invisible.

Rowan Locklaine gave his heart to one woman a long time ago and has no desire to go through that kind of torture ever again. His painful past has turned him cold and heartless. Women serve only one purpose as far as he's concerned, and relationships are nothing but a waste of time and energy. When the mouthy little blonde, Navie Collins, is hired as his personal assistant, he finds his world turned upside down. And against his better judgment, he can't seem to stop thinking about her.

Navie Collins has spent years convinced she's not good enough, that no one could possibly want her. Growing up the way she did helped to thicken her skin, so when she walks into a job interview and meets the temperamental, foul-mouthed, best-selling author Rowan Locklaine, she's all too happy to put him in his place.

Rowan and Navie are convinced they hate each other. But as time passes and the attraction between them begins to grow, these two stubborn, strong-willed people have a life changing decision to make. Can they move beyond their pain for a chance at something better, or are they destined to let their pasts dictate their future?
