**Psychological Science, 4th Edition** Michael Gazzaniga, Todd Heatherton, Diane Halpern

**A text that applies what researchers and educators have discovered about how, where, and why students learn. The result: science made accessible.**

The authors introduce students to the fundamentals of psychology and the latest cutting-edge research through a pedagogical framework designed to keep students engaged, motivated, and learning actively. Pedagogy based on the science of learning encourages time-on-task while facilitating long-term retention. The fourth edition introduces “Psychology: Knowledge You Can Use” boxes. Each of these new features shows students the immediate utility of a main concept discussed in the particular chapter. By applying the science of learning and making connections to students’ everyday lives, *Psychological Science*, Fourth Edition, addresses *how*, *where*, and *why* students learn.
