## **The Admirable Life of Mother Mariana Volume II** Fr. Manuel Sousa Pereira

In Volume II, Fr. Manuel Sousa Pereira recounts many more apparitions and favors from Our Lady of Good Success to Mother Mariana de Jesus Torres during the years 1610-1635. The prophecies specific to our times describe an enormous apostasy in the Church, the general corruption of the clergy and Prelates, heresies, the abandonment of the rules in convents and monasteries, and the culpability of high ecclesiastical authorities. Our Lady predicted that at the moment when the abuse of those authorities would reach an apex and the situation would seem lost, she would intervene and restore the Catholic Church to her proper splendor. Volume II also includes how the statue was made and miraculously completed; the story of Fr. Pereira's conversion; Mother Mariana's last testament, her death and the first miracles; and many startline, accurate prophecies about our times. Translated by Marian T. Horvat, Ph.D.
