Angel offered Derek Carter her body and soul, and in return, he betrayed her and she lost everything. The monster drove her away, calling her disgusting—but she wasn't too disgusting for him to impregnate during their onetime encounter. Now Angel pays a visit to the office of the CEO of Carter Industries with a secret agenda. But she again finds herself frozen in the thrall of Derek's charm, which is even stronger than before. She can't let herself shy away from his beautiful golden eyes. No matter what tactics she has to use, she must seduce him and get him to protect her and her baby!
