Mary Robinson

CliffsNotes on Morrison's Beloved (Cliffsnotes Literature Guides) Mary Robinson

The original CliffsNotes study guides offer expert commentary on major themes, plots, characters, literary devices, and historical background. The latest generation of titles in this series also features glossaries and visual elements that complement the classic, familiar format.

CliffsNotes on Beloved sheds light on Toni Morrison's skill in penetrating the unconstrained, unapologetic inner motivations of numerous characters who shouldered the horrific burden of slavery's hidden sins. Less a suspense novel than a treatise on acceptance and endurance, this novel has struck an appreciative chord with those who value the painful process of creating a guilt-ridden, near-crazed survivor.

With help from this study guide, you'll not only survive – you'll thrive in your understanding of Morrison's memorable work. You'll also find valuable information about the author and her influences. Other features that help you study include

- Character analyses of major players
- A character map that graphically illustrates the relationships among the characters
- Critical essays
- A review section that tests your knowledge
- A ResourceCenter full of books, articles, films, and Internet sites

Classic literature or modern modern-day treasure — you'll understand it all with expert information and insight from CliffsNotes study guides.
