Managing Reform in Universities: The Dynamics of Culture, Identity and Organisational Change (Issues in Higher Education)

Managing Reform in Universities: The Dynamics of Culture, Identity and Organisational Change (Issues in Higher Education)

This collection explores how universities are coping with the range of reforms and changes taking place across higher education today. Analyzing areas such as leadership, quality management, strategic thinking, collegiality and academic work, and from the perspective of different agents within higher education including students, academics and management, this book examines the various differences between reform attempts and the actual changes happening in universities.
