MY LIFE: POETIC LITERATURE is a compilation which derives from my many thoughts over a span of thirteen years.

My poetic words speak to the multitude of those who encounter hardship and encourage all to overcome the adversities that one faces. I aim to have my words reverberate from a mental realm; because if a particular plight cannot be handled mentally, than the physicalities are but a hindrance. The mind is the maker and the molder of all conditions.

The thoughts that I've transcribed onto paper are channeled to positively engage and to motivate all; no matter nationality or creed. I myself am a voice with an abundance of thoughts to share.
