Passion kevin swarbrick

Mark is a fun, outgoing, loving, caring guy, and the highlight of any party, but his confidence was stripped away from him little by little, by exes over the years. He hadn't set out to find love, but love found him. After all the heartache he had from his last experiences, you could say that he had found his angel that gave him the strength that he needed to change his life and to open him up to a new world. He never had so much fun and laughed so hard in all of his life and was proud to call this angel, Sarah, his best friend, lover, and partner. But Mark's life could never be that simple. He faced a continued battle to win the heart of the woman of his dreams, but it wasn't long before he found himself stuck in a love triangle that was far from a simple one. Mark did find his true love, but with a deception you wouldn't think was possible. Relationships are always tricky, but there's tricky and unreal!
