## The Dating Dilemma (Book 1 The Sweet Spot Series) (Volume 1) Laurie LeClair

Bestselling author Laurie LeClair debuts her new romantic comedy series, The Sweet Spot. Single mom, Darcy Jenkins' hormonal pre-teen daughter hates her and blames her for ruining her life. Darcy kicked out her ex-husband when he declared that he'd never loved Darcy and never would. On top of that, he was never there for their daughter not before, not during, and certainly not after the divorce. Now, Darcy's on a desperate mission to find a husband to love her and a real dad for her daughter, like the one Darcy never had herself. After finding a flyer for a single parent's group, Darcy heads off to the meeting. When Darcy arrives, she's involved in a heart-stopping encounter with the ruggedly handsome Doctor Benjamin Evans and her hormones come into question. This isn't a simple meet and greet any longer. Widower, Ben Evans longs to remain numb. It's worked for the last three years since his wife's untimely death. He rebuilt his life around his family practice and his twins. He's fine with that. However, when his favorite patient prods him to join her newly founded group for single parents, he reluctantly agrees, if only to help her out. Ben goes and discovers his feelings are nowhere near neutral the moment he meets funny, flirty Darcy. His life is now turned upside down with his intense attraction to sexy Darcy with her self-confessed sugar addiction, and her sometimes sweet, sometimes mouthy pre-teen. To add another complication into the mix, his twins adore Darcy and her daughter. But, will Ben and Darcy ever find time to date when kids, exes, and well-intentioned friends create never ending chaos around them? Will they give in to defeat or fight to have a second chance at love? Start reading The Dating Dilemma today.
