## **Discover The Truth Behind Water Fluoridation And The True Health Risks!**

**Get this book now at a discounted price of \$2.99, regularly \$4.99. Read on your PC, Mac, smart phone, tablet, or Kindle Device**

You're about to discover the shocking truth about how fluoride ended up in your drinking water and how it is really affecting today's population. Many people aren't even aware that large amounts of fluoride are being added to the vast majority of the public water supply, and many of those who do know are terribly misinformed about why it's there and the true effect that it has on our bodies.

When you look at the primary people who were initially involved in mandating water fluoridation, it starts to become quite clear that there is much more to it than trying to strengthen children's teeth. This book goes into detail about how fluoride ended up in our water, who was involved, the terrifying potential health risks of consuming fluoride in your water, and what you can do to avoid it. Many people have suffered and even died because of fluoride consumption, and my hope is that this book will help the rest of the world wake up to the truth before it's too late.

## **Here Is A Preview Of What You'll Learn...**
