The Storm (H2O) Virginia Bergin

DEADLY TO THE LAST DROP .

Ninety-seven percent of the population is dead. And the killer rain keeps falling. Ruby's not sure she can make it on her own much longer. So when a chance encounter leads her to a camp with the last boy she may ever kiss (it's not easy to date during an apocalypse), Ruby gratefully accepts the army's protection. But safety comes with a price: If Ruby wants to stay, she must keep her eyes-and her mouth-shut.

Except Ruby stumbles across a secret she can't possibly keep. Horrified, she flips out and fights back-only to make the most shocking discovery of all...

Praise for *H2O*:

"Creepy and realistic. H2O left me thirsting for more." -Kristen Simmons, author of *Article 5* and *Breaking Point*

"Ruby's candid, addicting narration brought this terrifying and wholly plausible story to life. This is a book you'll devour all at once-from the safety of your umbrella!" -Jessica Khoury, author of *Origin* and *Vitro*
