## **Writing for Business** Jane Hicks

This book is for anyone who has ever been baffled by English usage or who needs a grammar reality-check. A good review for anyone, the book is especially recommended for college business majors. The author knows how writing can boost or wreck careers. She should know; she is a former business executive, entrepreneur, and most recently, business professor. Now she wants to give you the tips she wishes someone had given her. In an online world, you are what you write. Your goal should be to present yourself as a polished professional and a person of goodwill. Whether you build your own business, work for the Fortune 500, or work for the public good, writing will be crucial to your success. This book will help.
