Sparrow Sara Mack

When Kyle Dayton was seventeen, he lost his heart to Addison Parks.

It was easy to do. After spending countless summers of boredom with his grandmother at Buhl Lake, Kyle's world turned upside down the minute Addison appeared. She was unlike any girl he had ever met; she was confident, out-going, and honest. She was beautiful inside and out, and she accepted Kyle for who he was ~ a young man without direction. They shared an amazing summer and, despite living miles apart, Kyle felt sure they had a future.

Until she vanished without a trace.

Where did she go? How could she disappear without saying a word? Was everything between them a lie? Unable to answer his own questions, Kyle had no choice other than to bury his memories and move on with his life. Eight years later, his hard work to forget is threatened when he is forced to return to Buhl Lake. Faced with reminders of Addison, Kyle wonders if he will ever discover the truth.

Little does he know it is about to be revealed.

Sparrow is the story of finding love, losing it, and the uncertain journey to reclaiming it again.
