“The Luckiest Man On The Planet” is about a man in his early thirties and his metal detector. Treasure hunting on vacation one morning, he unearths the greatest discovery ever found and proceeds to authenticate it with the help of several friends and associates. Before long, The Dream Team emerges with a dozen or so members determined to rid the world of offensive military weapons using their unique and powerful alien technologies. But not without enjoying their beloved 50's rock and roll with tons of romance, science, intrigue, and unending humor on practically every page. You will never forget the fun times in this book because much of it really happened and many of the characters were real people. You will also come to love the fictional characters as Mr. Suits did in the years it took to write this book. . .Enjoy.
