The Ruins of Us: A Novel Keija Parssinen

Saudi-born author Keija Parssinen's stunning debut offers the intricate, emotionally resonant story of an American expatriate who discovers that her husband, a Saudi billionaire, has taken a second bride—an emotionally turbulent revelation that blinds them both to their teenaged son's ominous first steps down the road of radicalization. Readers of *The Septembers of Shiraz* will be captivated by Parssinen's story of love and betrayal, fundamentalism, family and country in the Middle East. Anthony Swofford, author of *Jarhead*, hails Parssinen's characters as "richly conceived, and her evocative petrol universe of wealth, privilege, and intrigue is unforgettable," characterizing *The Ruins of Us* as having "powerful storytelling that is refreshing and entertaining."
