A Renegade History of the United States (Chinese Edition)

Thaddeus Lassels

A Renegade History of the United States (Chinese Edition) Thaddeus Lassels

In this groundbreaking book, noted historian Thaddeus Russell tells a new and surprising story about the origins of American freedom. Rather than crediting the standard textbook icons, Russell demonstrates that it was those on the fringes of society whose subversive lifestyles helped legitimize the taboo and made America the land of the free. In vivid portraits of renegades and their respectable adversaries, Russell shows that the nation's history has been driven by clashes between those interested in preserving social order and those more interested in pursuing their own desires—insiders versus outsiders, good citizens versus bad. The more these accidental revolutionaries existed, resisted, and persevered, the more receptive society became to change. This is not history that can be found in textbooks; it is a highly original and provocative portrayal of the American past as it has never been written before.
