Covering both disorders and wellness, "Gerontologic Nursing" provides the essential information you need to provide the best nursing care to older adults. A body-system organization makes information easy to find, and discussions include health promotion, psychologic and sociocultural issues, and the common medical-surgical problems associated with aging adults. Written by expert educator and clinician Sue Meiner, EdD, RN, CS, GNP, this book also emphasizes topics such as nutrition, chronic illness, emergency treatment, patient teaching, home care, and end-of-life care.
