## **Flags** Maxine Trottier

I will take care of your garden, Mr. Hiroshi," I offered. He smiled. "That would give me great comfort, Mary," he said. "The koi are greedy, you know. Do not let them get fat." We watched the bus drive away. For Mary, too young to fully understand about war and far-off places, the promise was meant to last only until Mr. Hiroshi came back. But after a while it was clear the her friend wouldn't be coming home. Still, Mary faithfully kept her word all through that long summer. And when the new people came to live in Mr. Hiroshi's house, she knew exactly what to do. Once more, Maxine Trottier takes a small piece of a larger story, nurtures it with care, and grows a tale as elegant as a Japanese Garden. *Flags* is a simple story of innocence and friendship set against a backdrop of fear and suspicion. A story that must be told and told again--but never allowed to recur.

### From reader reviews:

#### David Lucero:

This Flags book is absolutely not ordinary book, you have it then the world is in your hands. The benefit you have by reading this book is information inside this e-book incredible fresh, you will get facts which is getting deeper an individual read a lot of information you will get. This particular Flags without we know teach the one who reading through it become critical in contemplating and analyzing. Don't possibly be worry Flags can bring once you are and not make your tote space or bookshelves' turn out to be full because you can have it in the lovely laptop even phone. This Flags having excellent arrangement in word as well as layout, so you will not sense uninterested in reading.

#### Thomas Hayden:

The reason? Because this Flags is an unordinary book that the inside of the book waiting for you to snap it but latter it will shock you with the secret the idea inside. Reading this book next to it was fantastic author who all write the book in such remarkable way makes the content inside of easier to understand, entertaining way but still convey the meaning fully. So , it is good for you for not hesitating having this nowadays or you going to regret it. This book will give you a lot of positive aspects than the other book possess such as help improving your expertise and your critical thinking means. So , still want to postpone having that book? If I were being you I will go to the book store hurriedly.

#### Hayden Wright:

Does one one of the book lovers? If yes, do you ever feeling doubt if you are in the book store? Aim to pick one book that you never know the inside because don't evaluate book by its handle may doesn't work is difficult job because you are afraid that the inside maybe not because fantastic as in the outside look likes. Maybe you answer might be Flags why because the fantastic cover that make you consider concerning the content will not disappoint you. The inside or content is usually fantastic as the outside or even cover. Your reading sixth sense will directly show you to pick up this book.

#### Karen Huff:

In this era globalization it is important to someone to get information. The information will make anyone to understand the condition of the world. The health of the world makes the information much easier to share. You can find a lot of references to get information example: internet, classifieds, book, and soon. You can observe that now, a lot of publisher this print many kinds of book. Often the book that recommended to you is Flags this publication consist a lot of the information from the condition of this world now. This book was represented how do the world has grown up. The words styles that writer use for explain it is easy to understand. The particular writer made some study when he makes this book. That is why this book acceptable all of you.
