Kirby Stevens, a pioneer woman aviatrix for the WASPs, uncovered a traitorous plot to bring down the first flying program exclusively for women pilots, and she must put more than her reputation on the line to expose the truth. When an American Ace disappeared in a mysterious crash, Kirby's discovery was buried and her investigation sealed by Congress. Sixty Five years later the WASPs are about to receive the Congressional Gold medal but Kirby's confession has Army Special Investigator John Cutter scrambling for details before she will either receive the Nation's highest honor or a death sentence. Cutter must unearth the woman pilot's past and reveal a secret mission which led to the death of one pilot and the disappearance of another, and put the WASP on death row.
