Piers Anthony

Geodyssey, Books 1-4 (Isle of Woman, Shame of Man, Hope of Earth, Muse of Art) Piers Anthony
ISLE OF WOMAN: At once grand in scope and intimate in human detail, ISLE OF WOMAN tells the story of a man and a woman born at the dawn of human history, separated by fate, yet united by an unquenchable passion that even time could not conquer: Blaze, the fireworker who raised his kind out of savagery, and Ember, the beautiful green-eyed woman who forever haunted his dreams. ISLE OF WOMAN is a powerful and prophetic masterwork from one of the bestselling storytellers of our time. SHAME OF MAN: A magnificent epic of danger, desire, triumph and tragedy, Piers Anthony's SHAME OF MAN is nothing less than the story of humanity itself. It is the story of two lovers reborn throughout history - Hugh, a dreamer and musician and Ann, a beautiful dancer - as they struggle to preserve their family and their way of life during some of the most turbulent periods of our savage past and our troubled future. Through their eyes we experience humanity's greatest achievements, and witness its greatest shame, the relentless exploitation of nature that now threatens our very survival. HOPE OF EARTH: With HOPE OF EARTH, Anthony brings us a stirring epic that ranges from our ancient beginnings in Africa's Great Rift Valley to the windswept Andes a century from now, and includes some of history's most fascinating figures -- the mysterious "Ice Man" of the Swiss Alps, the decadent King Herod, the British Warrior Queen Boudica, the Mongol Chieftain Tamurlane, and King Louis XIV of France. MUSE OF ART: A towering testament of ambition and desire, hope and despair, Piers Anthony's epic Geodyssey saga is nothing less than the story of humanity itself. As seen through the eyes of a handful of courageous, passionate men and women reborn again and again in some of the most turbulent ages of history. MUSE OF ART is the newest chapter in this astonishing chronicle, probing the heart of our deepest fears and highest aspirations, illuminating the spark that makes us what we are.
