We all wander through this great planet called Earth. Our lives are a constant wonder. We wander this universe in search of something. We do not even know what it is we are searching for; nevertheless, we continue to put one foot in front of the other, stumbling occasionally, but onward we go. With the help of God, friends, and the universe, we will all find our way together in some form. We do not know, but we must enjoy our journey, for we only get one chance.
