The Practitioner's Handbook: A Guide for Counsellors, Psychotherapists and Counselling Psychologists

The Practitioner's Handbook: A Guide for Counsellors, Psychotherapists and Counselling Psychologists

The Practitioner's Handbook is an essential guide to professional development in counseling, psychotherapy, and counseling psychology. Written in a friendly and informal style, the **Handbook** addresses the key concerns and questions most frequently raised by newly qualified practitioners. The **Handbook** also outlines different avenues for career development (such as research, supervision, training or management), providing the reader with practical hints and guidance on how to take the next career step and organize continuing professional development (CPD).
