Wishes Fulfilled Dr. Wayne W. Dyer

In his newest PBS special, Dr. Wayne Dyer presents the five Wishes Fulfilled Foundations: these are the five steps necessary for fulfilling your deepest desires. Dr. Dyer demonstrates how to master each step so that you can achieve an extraordinary life! You will learn how to use Imagination, Living from the End, Assuming the Feeling of the Wish Fulfilled, Attention, and the Last Five Minutes of Each Day to attract what you most want into your life. The program also includes an appearance by special guest Anita Moorjani, plus a moving performance by the San Diego Children's Choir. Includes bonus material not seen on TV: an in-depth interview with near-death-experience survivor Anita Moorjani; a behind-the-scenes look at the television production; Dr. Dyer's discussion of his healing with John of God; and a set performed by 'spiritual comedienne' Sarah Sweet. 'You manifest what you become as a human being, and this program is about teaching you to become the highest-consciousness being that you can be ...because that's when you become a creator and a co-creator in your life. As one of my favourite quotes says, 'If you would like to accomplish something, you must first expect it of yourself.' ' Dr. Wayne Dyer
