"Once we get inside, you are mine for the evening to do with as I please," Marco warned.

Tyler is a rather new submissive. The past few months have proven to be more satisfying than he ever dreamed possible, though his Dom, Marco, is his opposite in many ways. His silky onyx skin and domineering personality are in stark contrast to Tyler's blonde hair, blue eyes and eager-to-please nature. Not that he's complaining. Besides, Tyler wouldn't dare. It would only result in punishment.

It's true, Tyler's learned much about the role he plays and tonight he'll be put to the final test. His contract with Marco is up for renewal and he must decide by morning if he's ready to make things official. When Marco leads Tyler into one of LA's hottest fetish clubs, he's unprepared for what he sees, but still determined to go through with the evening.

All he has to do is pass the test. And, oh, he will be tested.
