Every year, one must be chosen.

One girl, sent off into the forest as an offering, to secure safety for the village. An offering to the Others.

Eliza doesn't know who the Others are, or what will happen to her when she finds them. She is this year's offering, and she's scared. She sets out alone and vulnerable into the forest, and what she finds there will change her life forever...

For the Others are Werewolves, ancient and powerful beings who can shift between human and wolf forms at will. Their pack is weakened, and they need fresh blood, new members.

Eliza's first contact with the Others is with Caleb, a cruel and arrogant shifter who believes that humans are beneath integrating with the pack. Eliza provokes him while defending herself against his unwanted advances, and is only rescued from his retribution by Seth, the Alpha of the pack.

Eliza soon finds herself drawn unwittingly into a world of adventure, love, lust and betrayal unlike anything she's ever experienced before - and the only thing that's certain is that her life will never be the same again...

Standalone paranormal romance novel - some steamy scenes and HEA ending!
