Savannah has been named the "Most Haunted City" by investigators from the Travel, History and Discovery channels. Her history is filled with plagues, wars, duels, and murders ...no wonder every site in Savannah has a haunted past!

For over one year author James Caskey pored over the files at Georgia Historical Society researching the history of over 45 Savannah locations. The result is a collection of strange but rich historical accounts, which form the foundation for stories of actual experiences and sightings in these locations.

*Haunted Savannah* brings you chilling tales, *as experienced and told by witnesses*, and authentic photos documenting the existence of energy from another dimension.
