Enter a fascinating, ornately drawn cityscape and help a boy find his dragon while counting objects from hot dogs to traffic lights.

In the heart of the city, among the taxis and towers, a small boy travels uptown and down, searching for his friend. Readers will certainly spot the glorious beast, plus an array of big-city icons they can count. Is the dragon taking the crosstown bus, or breathing his fiery breath below a busy street? Maybe he took a taxi to the zoo or is playing with the dogs in the park. Steve Light's masterful pen-and-ink illustrations, decorated with meticulous splashes of color, elevate this counting book (numbers 1–20) to new heights. Maybe the dragon is up there, too!
