Nowhere Ranch

Heidi Cullinan

Nowhere Ranch Heidi Cullinan

Roe Davis is a man who works hard, keeps to himself, and never mixes business with pleasure -- until he takes a weekend away from his new job at Nowhere Ranch and runs into the owner at the only gay bar for two hundred miles. Getting involved with the boss is a bad idea, but Travis Loving is hard to say no to, especially when it turns out their kinks line up like a pair of custom-cut rails. As Loving points out, so long as this is sex on the side, no interfering with the job, they could make it work.

The truth is, there's good reason Roe never settles down and always spends his birthdays and holidays celebrating alone. Shut out in the cold by his family years ago, Roe survived by declaring he didn't need a home. As his affair with Loving grows into more than just sex, Roe finds out what happens when he stays put a little bit too long: the past always catches up with you. Eventually, even a loner gets lonely, and home will grow up through whatever cracks you leave open for it -- even in a place called Nowhere.

Publisher's Note: This book contains explicit sexual content, graphic language, and situations that some readers may find objectionable: Male/male sexual practices, strong BDSM theme and elements, fetish play.

From reader reviews:

Mandy Conway:

Book is to be different for each and every grade. Book for children until eventually adult are different content. To be sure that book is very important usually. The book Nowhere Ranch ended up being making you to know about other knowledge and of course you can take more information. It doesn't matter what advantages for you. The guide Nowhere Ranch is not only giving you much more new information but also to become your friend when you really feel bored. You can spend your spend time to read your book. Try to make relationship together with the book Nowhere Ranch. You never really feel lose out for everything in the event you read some books.

David Smith:

The actual book Nowhere Ranch has a lot of knowledge on it. So when you read this book you can get a lot of benefit. The book was compiled by the very famous author. Mcdougal makes some research previous to write this book. This book very easy to read you can find the point easily after looking over this book.

Terry Tatum:

Playing with family inside a park, coming to see the ocean world or hanging out with close friends is thing that usually you could have done when you have spare time, and then why you don't try thing that really opposite from that. Just one activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love Nowhere Ranch, you can enjoy both. It is fine combination right, you still would like to miss it? What kind of hang-out type is it? Oh can happen its mind hangout people. What? Still don't buy it, oh come on its identified as reading friends.

Christopher Palmer:

Your reading 6th sense will not betray an individual, why because this Nowhere Ranch guide written by well-known writer who really knows well how to make book that can be understand by anyone who read the book. Written inside good manner for you, leaking every ideas and writing skill only for eliminate your personal hunger then you still uncertainty Nowhere Ranch as good book not only by the cover but also through the content. This is one reserve that can break don't assess book by its handle, so do you still needing one more sixth sense to pick this!? Oh come on your looking at sixth sense already told you so why you have to listening to an additional sixth sense.
