## **Rocking My Life Away: Writing about Music and Other Matters** Anthony DeCurtis

*Rocking My Life Away* represents nearly twenty years of writing by one of the premier critics of popular music in America today. In these pieces from *Rolling Stone*, the *New York Times*, and other publications, Anthony DeCurtis reveals his ongoing engagement with rock & roll as artistic forum, source of personal inspiration, and compelling site of cultural struggle. Including significant new work—liner notes commissioned for the Phil Spector box set and a spirited discussion with Peter Buck of R.E.M. about rock criticism, for example—DeCurtis also ventures with insight and power beyond the world of rock & roll. A joint profile of the political writers Neil Sheehan and Taylor Branch and provocative looks at the work of novelists Don DeLillo and T. Coraghessan Boyle round out this eclectic collection.
