The Father is about to send the wind of the Spirit to ignite the fire of God in the heart of every believer, even those with smoldering wicks (Matt. 12:20). The fire will be so intense that believers will be radiant with the glory of God. Every born-again believer will shine with this light by the time Jesus comes for His bride, the church, if they will just let him. It will be like a flash of lightning (Luke 9:29). God has told many that there will be a few that will be clothed in this light first.

They will then go forth and see multitudes clothed in this magnificent light of God's glory. Prophets say that the world will be so amazed at the light that they will actually think we are wearing some technological device, like fiber optics, in our clothing!

This book is designed to bring you to that place in the last great awakening where you will explode with His power. Are you ready for the supernatural like you've never seen before? Are you ready to see the millions coming to Christ?

Everything that Lord has ever done before, He will do again in this last Kingdom revival!
