## **Wingman #4: Thunder in the East** Mack Maloney

Disarmed and leaderless after a Russian sneak attack, the United States is united no longer. But a lone warrior from the skies; a fighter pilot, Hawk Hunter has emerged to lift America from the ashes of defeat. The armies of freedom now control the western U.S. But the evil New Order is raising a huge mercenary force to reclaim America. Hunter is the only one who can prevent this. From the cockpit of his MiG-25 Foxbat, he launches his swift and bloody kamikaze raid. But a full-scale victory calls for an infiltration of the New Order's inner circle. He must decimate every enemy of the free world in order to save the future of America.
