Death Embraces (Mortis Vampire Series Book 2) J.C. Diem

Natalie Pierce awakens to find herself buried in a box that strongly resembles a coffin. After some initial confusion she remembers that she has become a member of a very exclusive club; the living dead.

Natalie has three important tasks ahead of her. One: escape from her underground prison. Two: hunt down the creature responsible for imprisoning her. Three: discover who or what is behind the cause of the sentient shadows that only she can see.

As the long awaited and highly unanticipated Mortis, Nat has abilities that no other vampire has ever before possessed. She must utilize the strangeness that sets her apart from her new kin to fulfill a prophecy that was written over two thousand years ago. The ancient text predicts that it is her destiny to wipe out the vast bulk of her own kind. Despite all of the weird and wacky powers that she has gained, not even Mortis can avoid her fate.
