Deep in the depths of the Amazon rainforest, something sealed under the earth is waiting... Something that has waited a thousand years. Corrupt, decayed and... hungry, it waits only for some careless hand to set its evil free once more... In the Jungles of the Gods...

In the Jungles of the Gods is a short story that unfolds in the same universe as the Solenne series, but with entirely different characters. If you like it, you'll almost certainly like 'Hunting the Dead'.
