On The Day You Were Born Judy A. Baldaccini

As parents, we think back with love to when our child was born and feel a desire to tell her/him how our world changed on that wonderful day. In the beautifully written children's picture book, *On The Day You Were Born*, Momma and her beloved child celebrate the events that occurred on the day My Dear Sweet One was born. (My Dear Sweet One represents your Dear Sweet One; girl or boy.) The delightfully-colored and exquisitely detailed illustrations depict Momma and My Dear Sweet One engaged in their special time together. From dancing and hugging, to piggy back rides and more, the story is highlighted in magical moments. Momma takes a star, a cloud and the moon out of the sky and . . . presto . . . changes their color! The quizzical child asks, "Why, red?" "Why, green?" "Why, blue?" "Because, My Dear Sweet One," Momma replies, "on the day you were born . . ." Momma leaves the sun yellow, because, she explains, ". . . on that day you became my sunshine." The endearing bond between Momma and My Dear Sweet One is sure to leave a youngster feeling happy and truly loved. For added entertainment, watch the family cat as page after page he mischievously gets entangled in all he touches! *On The Day You Were Born*, is destined to be a "read it again" classic children's story. It is the perfect introduction for the youngest story-time audience, as well as for the newest readers discovering the wonderful world of books.
