The Fifteen Decisive Battles of the World: From Marathan to Waterloo Edward Shepherd Creasy

This book is a classic in the field of military history. Historical writers who can weave myth and symbolism in to their writing carry forward important ideas and concepts for the collective. This is precisely what Creasy has done in his book, organizing his material around the idea that war is productive of something. He influenced every writer of military history who followed. That in itself is enough to promote the book. "15 Decisive Battles" is an excellent introduction to general military history, a perspective often missing in college history courses. Creasy is a generalist but for that very reason, this a good book to start with. Written long ago, his book necessarily omits more recent military candidates, yet vividly captures 15 moments when history stood at a cusp (perhaps Marathon and Waterloo in particular).

From reader reviews:

Serafina Hayes:

People live in this new day time of lifestyle always try to and must have the spare time or they will get wide range of stress from both day to day life and work. So , if we ask do people have time, we will say absolutely yes. People is human not really a huge robot. Then we inquire again, what kind of activity are you experiencing when the spare time coming to you of course your answer may unlimited right. Then do you try this one, reading textbooks. It can be your alternative inside spending your spare time, the particular book you have read is actually The Fifteen Decisive Battles of the World: From Marathan to Waterloo.

Aracely Schneider:

Are you kind of occupied person, only have 10 or maybe 15 minute in your morning to upgrading your mind talent or thinking skill perhaps analytical thinking? Then you are having problem with the book than can satisfy your short period of time to read it because this time you only find guide that need more time to be read. The Fifteen Decisive Battles of the World: From Marathan to Waterloo can be your answer since it can be read by an individual who have those short free time problems.

Brenda Hedstrom:

You can spend your free time to study this book this guide. This The Fifteen Decisive Battles of the World: From Marathan to Waterloo is simple to bring you can read it in the park your car, in the beach, train as well as soon. If you did not possess much space to bring the printed book, you can buy typically the e-book. It is make you simpler to read it. You can save the book in your smart phone. And so there are a lot of benefits that you will get when you buy this book.

Lee Witherspoon:

As a university student exactly feel bored in order to reading. If their teacher inquired them to go to the library or to make summary for some book, they are complained. Just minor students that has reading's heart and soul or real their hobby. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that examining is not important, boring and can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this The Fifteen Decisive Battles of the World: From Marathan to Waterloo can make you feel more interested to read.
